

As proudly reported by [Vietnam-visa.com](http://Vietnam-visa.com) - a reliable address for Vietnam visa on arrival service, Vietnam stamping fee fixed by the Vietnam Ministry of Finance officially decreased from November 23, 2015. This decrease was stated in the Circular No. 157/2015/TT-BTC of the Ministry of Finance. The stamping fee is the fee the users of Vietnam visa on arrival (VOA) need to pay at Vietnam airport to get their visa stamp. Under the new Circular, it is now only USD 25 for a single entry visa and USD 50 for a 1 or 3-month multiple entry visa instead of the previous USD 45 and USD 95 respectively.

This sharp deduction in stamping fee has resulted in a significant decrease in total cost of obtaining a Vietnam visa on arrival.

So, from now on, Vietnam visa on arrival may become a dominant option for obtaining a visa for Vietnam for its convenience and cost saving.

### ***Why applying for Vietnam visa on arrival is said to be convenient?***

Visa on arrival is said to be convenient as it DO NOT requires its applicants to travel any distance to visit the embassy to submit the documents for visa application. It is really a great choice for those living far from Vietnam embassy or those whose country has no Vietnam embassy located.

Visa on arrival is said to be convenient as it also DO NOT pose any risk of losing original passport or other important documents on their way to reach Vietnam embassy if the application is submitted via post.

Visa on arrival is said to be convenient as it only requires its applicants to have a device with internet access to submit their application form and get visa approval letter and then get visa stamped upon arrival at Vietnam airport.
